Here is the first block of our newly released block of the month series just for Knot-y Girls stitchery club members!

We'll give you a new heart block each month that you can use any way you'd like of course, but we will show you with the last block an idea for setting the blocks in a wallhanging. If you'd like to stitch the blocks on 8" squares you should have plenty of room for stitching with a hoop.

As you'll see with some of the blocks to come, some of them are going to be worked like a little pocket so that you'll be able to put little keepsakes or pretties in them!

I hope that you'll like them!!
