For you, from Crabapple Hill!
Joy!

Trace design (not heart outline) onto fabric, stitch then place upside down over pattern on light box & trace heart outline onto the wrong side of the fabric. Place right sides together with another piece of fabric & sew on traced outline. Slit the back, trim edges to 1/8", turn and press. Attach lace to the edge of heart using a tiny whip stitch.

Use tiny stitches at the edge of the heart to attach it to another background. Leave the heart un-attached at the top between the arrows to make a pocket.

Fill with sweet mementos!
